

QUESTIONS AND ANSWERS

What games can we come to?

Any home game you like - all of them would be good.

Obviously for some fixtures the demand will be high and tickets are subject to availability so if you have a particular game you want to come to get in touch with the CashBack office early.

How much can we raise?

Ticket prices through your club are \$15 for adults (\$20 at the gate), \$5 for children. You will be allocated tickets subject to availability. That means for each ticket you sell you will get back \$3.00 and \$1.00 respectively.

For example if you sell 20 adult and 20 child tickets you will receive \$80 just for having a great day out! Obviously the more you sell the more you earn. Bring your club's entire junior section, a school party with Mums and Dads or everyone from the office and you can raise a tidy sum for your Club.

Can I use other promotion flyers with this offer?

We have a flyer allowing one child to get in free to an Aces HRV Cup home game with a paying adult or \$5 off the adult ticket price at the gate. This \$5 off discount can only be used when an adult pays at the gate on the day. Cashback prepaid ticket holders can only use the flyer to get one child in for free. The offer can only be redeemed once and the flyer must be surrendered upon entry to the ground. Children are classified as anyone under 16 years of age.

Where will we be sitting?

Seating is by general admission at Colin Maiden Park this year, so you can sit wherever you find a spot!

How do we get our money?

After completion of the HRV Twenty20 Cup competition in December, within 14 days of the final you will be enjoying your CashBack payment which will be made into your organisation's bank account by direct credit. The account must be in the name of the organisation - no payment will be made to private accounts.

What does the co-ordinator do?

They are responsible for ordering and selling the tickets, ensuring all unsold tickets are returned and payment for those sold is made.

Refunds

In the event of a fully abandoned game, tickets will be able to be used at any of the remaining matches in December (not refunded for cash). If it's the last game of the round robin a full cash refund will be issued, as per the terms and conditions of our refund policy. In event of a refund, ticket holders must contact Auckland Cricket.

How do we get started?
