Match Results – Entering Match Results & Player Scores

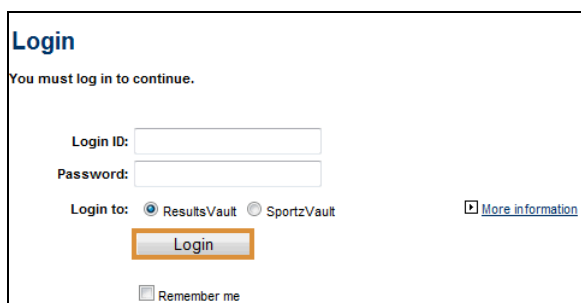

This procedure will allow you to enter match results, player scores and, for Men's and Women's premier grade, update your teams Club Cricketer of the Year points table via the ResultsVault portal. Match Results can be entered either during a Match (i.e. lunch or tea break) or when completed. Match Results can be entered by either team, but not by both. Once the Match Result has been entered by the initial team (generally the home team), the opposing team then needs to confirm or dispute the Match Result.
